Be the Power Behind MEGAWATT

As Main Partner of MEGAWATT, your company is not just a sponsor - it becomes a strategic co-creator of one of Europe's most forward-looking events on energy, innovation and industry.

This partnership offers the highest level of visibility, influence and engagement, allowing your organization to actively shape the conference agenda, drive thought leadership, and connect with key global stakeholders.

Exclusive Visibility

- **Top-tier logo placement** - your logo always appears first and larger than any other sponsor, across all official MEGAWATT materials
- **Logo and hyperlink** featured on the MEGAWATT website homepage
- Main Partner spotlight in the official **Welcome Newsletter**
- **Dedicated LinkedIn post** announcing the partnership
- **Main Partner logo featured prominently** on the MEGAWATT promotional page in Modern Power Systems Magazine
- Main Partner logo on all **printed materials**, including flyers, catalogues, and visitor guides
- **10-month online partner profile** with company description, logo and link
- 1 client-produced content or article included in a MEGAWATT promotional newsletter (pre-event feature)

Strategic Involvement

- **Active participation in defining conference topics and content strategy**, in collaboration with the MEGAWATT Scientific Committee
- **Keynote speaking slot** or role as session chair in a main conference panel
- Option to organize a partner-branded workshop or innovation session

Premium Presence

- **Prime exhibition space** in the most visible area of the venue with **30% discount**
- **Co-branding on key locations** (Main Entrance, Conference Hall, Networking Lounge area)
- Featured visibility in the digital catalog

Networking & Hospitality

- **20 complimentary conference passes** for staff and guests
- **30% discount** on additional **conference passes**
- Full access to exclusive **social events and Gala Dinner** for 7 representatives
- Dedicated support for **B2B meetings and matchmaking**

Post-Event Recognition

- Inclusion in the Official Post-Event Report as the event's Main Partner
- **Feature interview and media coverage** distributed through MEGAWATT channels
- Continuous visibility in follow-up communication and **PR campaigns**

Enel

The oldest energy company in Europe

With over 160 years of history, Edison is a leader in energy innovation and sustainability. We are committed to driving the energy transition forward, ensuring a sustainable future for generations to come.

Our expertise spans across various energy sectors, including:

- Renewable Energy:** We are actively investing in solar, wind, and hydroelectric power to reduce our carbon footprint.
- Energy Efficiency:** We offer comprehensive solutions to optimize energy consumption in industrial and commercial settings.
- Smart Grids:** We are implementing advanced technologies to enhance the reliability and efficiency of our power distribution networks.
- Energy Storage:** We are exploring innovative storage solutions to address the intermittency of renewable energy sources.
- Energy Trading:** We provide flexible and secure energy trading services to meet the needs of our clients.

At Edison, we combine our rich heritage with cutting-edge technology and a strong commitment to sustainability. We are proud to be the oldest energy company in Europe, and we look forward to continuing our legacy of innovation and excellence for many years to come.

Be the Power Behind MEGAWATT

Becoming a Main Sponsor of MEGAWATT means gaining a leading position among the event's key partners - with strong visibility, premium access, and exclusive networking opportunities.

The Main Sponsor enjoys a powerful communication presence throughout the event and plays an active role in promoting innovation and sustainability in the energy and industrial sectors.

High-Profile Visibility

- **Prominent logo placement** on MEGAWATT materials (website, program, signage, banners, digital media) - positioned immediately after the Main Partner
- Logo and hyperlink on the MEGAWATT website
- Inclusion in the **Welcome Newsletter** to announce your participation
- **LinkedIn post** welcoming the Main Sponsor
- Main Sponsor logo on MEGAWATT **promotional page** in Modern Power Systems Magazine
- Main Sponsor logo on flyers, event catalogues and printed materials
- **8-month online partner profile** with logo and link

Conference & Content Presence

- **Participation as a speaker or panelist** in one conference session within the official program
- Mention in the Conference Programme and event website as Main Sponsor Participant

Exhibition & Branding

- **Premium exhibition space** in a high-visibility zone with **15% discount**
- **Branding opportunities** in select areas (Conference, Hall entrance)
- Featured in the official digital catalog

Networking & Hospitality

- **10 complimentary conference passes** for staff and guests
- **15% discount** on additional **conference passes**
- Access to all **networking events and Gala Dinner** for 5 representatives
- Dedicated support for **B2B meetings and matchmaking**

Post-Event Recognition

- Mention as Main Sponsor of MEGAWATT 2025 in the Official Post-Event Report
- Visibility in social media highlights and press coverage
- Continued brand presence in post-event communications
